

Washwood Heath Nursery School Summer 1 Newsletter 2023

Welcome back to everyone! We hope you all had a lovely Easter break and please share what you have done over the holidays on Tapestry!

The new children have been settling in well since starting with us last week. They are becoming familiar with the routines, environment and building relationships with the staff and other children.

Elsewhere in nursery, the children have been learning about Eid and sharing how they celebrate with their families. Children have been looking at change-they have been growing peas and tomatoes. Learnt about the lifecycle of the chick, when we had them in just before Easter. They have also been developing their imaginative skills in their play of firefighters and doctors in the 'hospital'

Safeguarding information

If you have a safeguarding concern about a child within our school please speak to one of our DSL (Designating Safeguarding Lead)

Designating Safeguarding Lead - Valerie Daniel

Deputy Designating Safeguarding Leads - Jatinder Kaur , Sanam Parveen or Sadia Akhtar

Get Ready for Summer Time

Please apply sun protection on exposed skin areas on your child.

In hot weather dress them in loose, light-coloured clothing to help keep cool. Long sleeved cotton tops are most suitable and a sun hat or cap to keep their head protected.

Closed toe sandals are the best to wear at nursery to keep toes protected.

All children need to bring a jacket to school every-day in case the weather changes.

Snack time

Can children bring one piece of fruit to nursery each week please. This is then shared amongst the children for snack times.

School website

Please check our website regularly for any updates, as well as all information regarding our school
